Family Promise of Wayne County Announces Capital Campaign “Housewarming” Fundraiser March 8th!

To raise funds for the renovations of its newly acquired family resource center at 3 Holley St. in Lyons, Family Promise of Wayne County will hold a fundraising “Housewarming” Event on **Sunday, March 8th** from **3 to 7 pm**.

Attendees will have the opportunity to tour the facility and help in a variety of ways and at varying levels of investment - from kitchen basics to sponsoring the furnishing of a specific room. A donation of \$10,000 or more will get your name on the new building! Refreshments and music will be provided.

“We are hoping that the residents and businesses of Wayne County will engage with us and join the list of generous partners, donors and volunteers who have made this program so successful” says Linda Werts, President of FPWC’s Board of Trustees.

FPWC recently acquired the building at 3 Holley St. to be a permanent Day Resource Center. This will enable Family Promise to better serve Wayne County’s homeless families with children. As a non-profit community response to family homelessness, FPWC provides families with a temporary home while helping them secure long term, sustainable housing. Resources for job placement, transportation and child care are also available. To date 15 homeless families have graduated into permanent, sustainable housing.

Family Promise is a 501 (c) (3) Public Charity
