

Family Promise[®] of Wayne County

Building community, strengthening lives.

Dear Prospective Sponsor,

It is envisioned that our first “Bed City” Fundraising Event will provide Family Promise of Wayne County with substantial funding toward its yearly operating budget need of approximately \$160,000. **We are asking you to consider an active “partnership” with a sponsorship donation at the \$1,000 level.**

Your sponsorship will include a promotional display of your business or organization located next to one of our (hopefully) ten beds donated to Family Promise and decorated by groups from around our county. But more importantly it will demonstrate your commitment to transform the lives of homeless families in Wayne County because every child deserves a home.

Our not for profit Family Promise of Wayne County is a local affiliate of the national Family Promise with over 200 affiliates in 42 states. We exist to help homeless families with children find permanent housing, jobs and skills to become and remain self-reliant.

“Bed City” is planned for Saturday, May 12, 2018 and will be held at Park Presbyterian Church and Newark’s Central Park. Beds may be on display at various locations for a week or two before the Saturday event. On the day of our event county residents will be invited to vote for their “favorite” bed and enjoy a food truck rodeo and music in the park. Donated and decorated beds will be stored and given to families as they transition from our program to sustainable independence in homes of their own.

We hope we can “count you in” as a sponsor for our first “Bed City” event. Please return the enclosed Sponsorship Form by March 1, 2018. For more information you may contact me at 315-447-0276 or lwerts@aol.com or visit our website www.fpwayne.org.

With kind regards and appreciation,
Linda Werts
Vice-President, Family Promise of Wayne County
